## CAPT. ROBERT BROWN'S

**WHALING GUN, PATENT BOMB LANCES  
AND GUN HARPOONS.**

**AFTER SEVERAL YEARS LABOR AND**  
experimenting upon whales, on the whaling ground, with his usual skill and perseverance, the inventor of a certain  
whalman, the Patentee has been enabled to obtain an instru-  
ment in form of a Bomb Lance, which for utility and effective-  
ness cannot be excelled.

The captain and Officers of whale-ships is called  
to the following testimonials.

**SAN FRANCISCO, January 10, 1856.**

**CAPT. R. BROWN—Sir:** I take this opportunity to inform  
you that we used those Bomb Lances we bought of you, and  
found them to be of great benefit in capturing whales, amongst  
the ice.

The first whale that we used the Bomb Lance on was killed  
in the following manner—The boat went alongside of the whale  
and the boat-steerer fired a Bomb into him and then fastened  
him with a giron. The second Bomb was fired into him, and  
the whale did not blow after the Bomb exploded. The above-men-  
tioned whale was in the ice, and it is our opinion that we should  
not have got that whale and many others that we did get, if it  
had not been for your Bomb Lances, and we fully recommend  
them to the satisfaction of all sitting out whale ships.

Respectfully yours,

THOMAS WALL, Master bark *George*.  
HONOLULU, March 17, 1856.

CAPT. ROBERT BROWN—*My dear Sir*: I used your Bomb Lances in taking a whale, north, the past season, which made 250 lbs. of oil. We never could have taken him without said lances, as our boats could not get near enough to use the common hand lance.

Yours Respectfully,  
G. L. Cox, Master whale-ship *Megnetia*.

HONOLULU, March 15, 1856.

CAPT. ROBERT BROWN—*Dear Sir*: I take this opportunity to inform you that I used your Bombs on the voyage in the ship *Herald*, and found them effective in taking whales, and would

recommend them to all whalemén, and especially around the ice. I also used the harpoon and got most of the whales by your

Guns and apparatus.

Yours Respectfully,  
ISAAC ALLEN, Master ship *Herald*.

Other testimonials can be seen by calling on the undersigned,  
Agents, who have the Guns, Bomb Lances and Harpoons for  
sale.
